## Best times to visit

| Attraction             | Good                    | Best                        |
|------------------------|-------------------------|-----------------------------|
| Whales                 | Mid June to mid August  | Mid June to mid July        |
| Icebergs               | May to July             | Mid June to mid July        |
| Hiking                 | May to October          | June or September           |
| Berry Picking          | August to October       | Mid August to mid September |
| Trans Labrador Highway | Year-round (except May) | June to October             |

## Climate chart

The Newfoundland Extension covers a large area of Labrador, temperatures and precipitation vary; it's best to prepare for both warm and cold weather. Happy Valley-Goose Bay is much warmer than the south coast near Mary's Harbour. Happy Valley-Goose Bay can reach into the 30°C range during the summer months, and Mary's Harbour, mid-high 20°C.

For an overview of Happy Valley-Goose Bay weather, [click here](#).

For an overview of Mary's Harbour weather, [click here](#).

## Black-Fly/Mosquito Index

Not unlike other northern regions, Labrador's bio-diversity leads to a healthy population of mosquitos and black-flies. Based on our local knowledge, here are your chances of encountering flies - come prepared!

| Location          | Off-peak              | Peak                    |
|-------------------|-----------------------|-------------------------|
| Interior          | Mid June - begin July | Begin July - mid August |
| Coastal           |                       |                         |
| North Coast       | Begin July - mid July | Mid July - end August   |
| South Coast       | End June - mid July   | Mid July - late August  |
| Torngat Mountains | Begin July - mid July | Mid July - mid August   |
